New Download Pages and Links on IBLUK Web Site

Industrial Batteries (UK) Limited – IBLUK – has continued to enhance their web site for the convenience of their visitors.

There are numerous downloadable documents on the site relating to the different applications, products and services described and this new section gives one page where all the downloads can be found.

The downloads given include:

- Battery ranges
- Battery services
- Applications
- Technical documents
- Press releases

In addition there are direct links to the product pages of Alcad and Saft batteries, which allow visitors to directly download product literature without leaving the IBLUK web site.

IBLUK are the main distributor of Alcad Batteries in the UK and, in addition to supplying the battery, IBLUK are able to specify battery stands and accessories to suit the customer's requirements, to provide a complete battery package.

IBLUK are a UK company specialising in premium quality industrial nickel-cadmium batteries and support. In addition to assisting the customer in his choice of battery and battery stand, it can also offer an extensive selection of approved accessories, a technical consultancy service, user training and a battery replacement and recycling service
